

NAVAC Moral Injury Specialty Certification (MI) Reading list

Requirements:

Document reading 20 selections from the recommended list (to include at least eight books and six journal articles or research papers), with a one-page critique of each selected item. (Suggestions: how was this helpful, how it advanced your understanding of moral injury, what aspects of the author's definition or working assumption of moral injury align with your own and what aspects do not, etc.) Total reading should be not less than 2,500 pages from suggested list, with one third of the reading published in the last five years. Required reading from assignments in the TRAINING track apply to the 2,500 page minimum.
